Honors Learning Experiences

Honors students choose one of the six Honors Learning Experiences each semester to customize their education and add value to their degree.

[Honors Sections >](#)

These interactive courses emphasize deep exploration of content, as well as hands-on experiences that encourage application of course topics.

[Honors Contracts >](#)

Collaborate with an instructor to turn a regular course into an Honors learning experience.

[Honors Seminars >](#)

These courses are grounded in one or more of the dimensions of Honors learning, address special topics, and facilitate the development of the Honors community.

[Honors Research >](#)

Initiate research or independent projects in all disciplines. Hone investigative and critical thinking skills under the guidance of a faculty member.

[Honors Explorations >](#)

Examine topics with an Honors facilitator and other Honors students.

[Honors Travel >](#)

Experience learning in real-world settings beyond the campus.
