Tips to Complete the Honors Advising Appointment Preparation Worksheet

Major Requirements and Sample Plan of Study

To find information regarding your major, start on the Illinois State University home page.

Click on Academics and then Majors.

Find your major using the A – Z links or by scrolling down the page. Once you are on the page for your major, click on Course Requirements (Catalog). This will take you to your major department/school’s section of the catalog.

On your Department/School’s page, select View Course Requirements.

Review the courses required for your major, specific graduation requirements, as well as how General Education fits with your major. You can also view a Sample Plan of Study.

Jump to > Major Requirements • Graduation Requirements • General Education Requirements • Sample Plan of Study
