UNIVERSITY COLLEGE
Illinois State University

Your academic journey starts with UNIVERSITY COLLEGE

We're here to support you as you adjust to university life, whether you need help with study skills, tutoring, or finding a major.

We want students to become successful learners, to eliminate obstacles, and to build the skills they need to thrive in their college careers.

College is a place to grow and explore. At University College, we will help you nurture your passion with enthusiasm and care.

We help students:

- Make a smooth transition to college
- Understand academic policies and requirements
- Prepare for more advanced classes
- Explore majors and other academic opportunities
- Develop skills leading to academic success
- Progress toward graduation

Academic Advisement

Academic advising at Illinois State is an integral part of the educational process. Working in partnership with advisors, students learn about academic policies, procedures, and university resources to develop strategies to pursue their individual educational goals.

Departmental or School Advisement

Undergraduate students with a declared major who have earned 24 or more semester hours

University College Academic Advisement

All undergraduate students who have earned less than 24 semester hours of credit and all students who are undeclared or unclassified

Honors Program Advisement

Undergraduate students in the Honors Program will meet with their assigned Honors advisor

- Complete the requirements for a major
- Complete General Education requirements
- 42 senior college credit hours (200+ level) at ISU
- AMALI degree requirement
- Be in good academic standing, with a minimum required GPA of 2.0

University Catalog

The online University catalog helps students to learn about programs of study, determine courses needed for graduation, or complete a course of study. This will be a resource students are expected to use and reference for course planning.

Course Registration

- Be responsible and plan ahead. Meet with your advisor before your registration date to plan courses for the upcoming semester
- Registration dates and times are assigned every semester based on your earned credit hours
- Important registration dates: [Events.IllinoisState.edu/academic-calendar](https://events.illinoisstate.edu/academic-calendar)

Technology tips

- Check your ISU email daily!
- Check ReggieNet regularly: [Reggienet.IllinoisState.edu](https://reggienet.illinoisstate.edu)
- Learn how to use your clicker: [Ctlt.IllinoisState.edu/technology/clickers/students](https://ctl.illinoisstate.edu/technology/clickers/students)
- Check with Tech Zone for more details about computer requirements: [Techzone.IllinoisState.edu](https://techzone.illinoisstate.edu).
- Understand My.IllinoisState Portal.

Tips for New Students

Start your first semester strong by getting the best GPA you can!

- Your first semester GPA is critical! Remember, your major may have higher GPA requirements than the minimum 2.0 university GPA requirement.

Time management is key to be a successful first-year student.

- Utilize the Julia N. Visor Center for all of your academic resources! The Visor Center offers academic coaching, tutoring, workshops, and specialized programs to help you succeed.

Be proactive - ask for help and seek assistance when necessary.

- Contact your academic advisor if you have any questions!

Meet other first-year students!

- Register for IDS 108—Success 11, or IDS 128—Thriving in College, Career & Beyond (THRIVE) course to help you successfully transition to ISU!

Be sure to check your Illinois State University email. Important updates from the University and your advisor will be sent to your Illinois State email account!

Additional Campus Resources

Emergency Alert System

- Students MUST sign up in order to receive emergency alerts via email, phone call, or text message. [Security.IllinoisState.edu/emergency_alert](https://security.illinoisstate.edu/emergency_alert)

Extended Student Absences

- The Dean of Students Office can provide notification to instructors when students have been/will be absent from class(es) due to sickness and/or event of a death and are unable to notify their instructors.
- The student is responsible for notifying the Dean of Students Office (DoS) prior to their absence.
- **Dean on Duty**—Each weekday from 8 a.m.-4:30 p.m., an associate dean of students is available to listen, assist students in gathering information, serve as a referral source, and help students navigate the University.

- **Cultural Awareness and Diversity**—The future multicultural center will work to foster civility and raise cultural awareness in students, faculty, and staff.

- **Inclusive Community Response Team**—The Inclusive Community Response Team (ICRT) serves students by fostering an open and inclusive campus and responding to instances of hate and bias.

- **Redbird Care Team**—Illinois State University is committed to providing a secure and welcoming campus environment for students, faculty, staff, and visitors. Members of the University community are encouraged to report to the Redbird Care Team (RCT) student behavior or issues that are significantly out of character, cause alarm, are harmful, or are potentially dangerous.

- **Redbird Life Portal**—Get more involved! Learn more about Registered Student Organizations (RSOs) through your Redbird Life Portal.

KEYS TO ACADEMIC *and* CAREER SUCCESS

STAGE 1: EXPLORE

ACADEMIC ACHIEVEMENT

- Always strive for academic success.
- Attend and actively participate in classes, and get to know your professors.
- Meet with your academic advisor and faculty to discuss major requirements and your academic goals.
- Participate in and contribute to department-based introductory classes.
- Explore your academic and career interests online. Contact the Career Center for help.
- Attend available tutoring sessions and workshops as needed.

TRANSFERABLE SKILLS

- Develop your transferable skills, such as writing, communication, or public speaking. Seek a part-time job, internship, or other experiences to build your current skill set.

EXPERIENCES AND INVOLVEMENT

- Explore student organizations, volunteer, and seek leadership or civic engagement opportunities.
- Attend academic, career, and campus events.

NETWORKING

- Conduct an informational interview with professionals in your areas of interest.

ACADEMIC ACHIEVEMENT

- Create an academic plan with your academic advisor and faculty.
- Meet with your career advisor to identify career opportunities that align with your interests.
- Explore options to study abroad.

TRANSFERABLE SKILLS

- Refine writing, communication, analytical, and other transferable skills through coursework and involvement opportunities.

EXPERIENCES AND INVOLVEMENT

- Obtain a leadership role in an organization.
- Attend academic, career, and campus events.
- Apply for internships at HireARedbird.Illinois-State.edu.

NETWORKING

- Get to know faculty.
- Conduct a job shadow with a professional in your area of interest.
- Create LinkedIn and Hire-A-Redbird profiles. Visit the Career Center to learn how.

STAGE 3: EXECUTE

ACADEMIC ACHIEVEMENT

- Inquire about earning academic credit for an internship or research opportunity in your department.
- Evaluate the status of your academic and career plans.
- Ask faculty to serve as references to help meet your career goals.

TRANSFERABLE SKILLS

- Leverage your acquired writing, communication, analytical, and other transferable skills.

EXPERIENCES AND INVOLVEMENT

- Relate your internship experience to your coursework and career preparation.

NETWORKING

- Meet with a career advisor and faculty to discuss job-search strategies.
- Establish a professional social media presence.
- Continue to build your network at academic, career, and campus events.

ACADEMIC ACHIEVEMENT

- Research specific academic and career opportunities (i.e., job search, graduate school, etc.).
- Meet with your career advisor to implement job-search strategies.
- Apply to graduate programs or jobs that align with your goals.

TRANSFERABLE SKILLS

- Update and finalize your resume and related professional documents to include your transferable skills.

EXPERIENCES AND INVOLVEMENT

- Attend academic, career, and campus events.

NETWORKING

- Network with faculty.
- Maximize your professional networks (i.e., LinkedIn, professional contacts, etc.).

STAGE 4: EMBARK

Get Career Ready!

Employers are seeking college graduates who are “career ready,” meaning they want to hire students who possess key transferable skills that will contribute to their success in the workplace. The National Association of Colleges and Employers has identified eight competencies for career readiness.

Critical Thinking/Problem-Solving

Exercise sound reasoning to analyze issues, make decisions, and overcome problems.

Oral/Written Communications

Articulate thoughts and ideas clearly and effectively in written and oral forms to persons inside and outside of the organization.

Teamwork/Collaboration

Build collaborative relationships with colleagues and customers representing diverse cultures, races, ages, genders, religions, lifestyles, and viewpoints.

Digital Technology

Leverage existing digital technologies ethically and efficiently to solve problems, complete tasks, and accomplish goals.

Leadership

Leverage the strengths of others to achieve common goals, and use interpersonal skills to coach and develop others.

Professionalism/Work Ethic

Demonstrate personal accountability and effective work habits, e.g., punctuality, working productively with others, and time workload management; and understand the impact of nonverbal communication on professional work image.

Career Management

Identify and articulate one’s skills, strengths, knowledge, and experiences relevant to the position desired and career goals, and identify areas necessary for professional growth.

Global/Intercultural Fluency

Value, respect, and learn from diverse cultures, races, ages, genders, sexual orientations, and religions.

What does your career readiness look like?

Post-Preview Checklist

1. High School Transcript

Verify with your high school that your final transcript has been sent to the Office of Admissions by July 15!

2. ACT/SAT Scores

Remember to submit your official ACT or SAT scores to the Office of Admissions by July 15! Test scores posted on your high school transcript are not considered official. Use the SAT (code 1319) or ACT (code 1042) websites to send your official scores.

3. Transfer Credit or Dual Credit

If you have any transfer credit and/or dual credit, please contact the community college to send your transcripts to ISU. Please know your high school does not send your dual/transfer credit.

4. Advanced Placement/CLEP/IB Credit

Be sure to submit any Advanced Placement (AP) Exams, CLEP examination scores or International Baccalaureate Organization Credit to Illinois State!
