Honors Learning Experiences

Honors students choose one of the six Honors Learning Experiences each semester to customize their education and add value to their degree.

- **Honors Sections**
  These interactive courses emphasize deep exploration of content, as well as hands-on experiences that encourage application of course topics.

- **Honors Contracts**
  Collaborate with an instructor to turn a regular course into an Honors learning experience.

- **Honors Seminars**
  These courses are grounded in one or more of the dimensions of Honors learning, address special topics, and facilitate the development of the Honors community.

- **Honors Research**
  Initiate research or independent projects in all disciplines. Hone investigative and critical thinking skills under the guidance of a faculty member.

- **Honors Explorations**
  Examine topics with an Honors facilitator and other Honors students.

- **Honors Travel**
  Experience learning in real-world settings beyond the campus.
