Honors Learning Experiences

Honors students choose one of the six Honors Learning Experiences each semester to customize their education and add value to their degree.

Honors Sections >

These interactive courses emphasize deep exploration of content, as well as hands-on experiences that encourage application of course topics.

Honors Contracts >

Collaborate with an instructor to turn a regular course into an Honors learning experience.

Honors Seminars >

These courses are grounded in one or more of the dimensions of Honors learning, address special topics, and facilitate the development of the Honors community.

Honors Research >

Initiate research or independent projects in all disciplines. Hone investigative and critical thinking skills under the guidance of a faculty member.

Honors Explorations >

Examine topics with an Honors facilitator and other Honors students.

Honors Travel >

Experience learning in real-world settings beyond the campus.
