

Honors Council for Diversity, Equity and Inclusion

May 3, 2021

- Honors DEI Roundtable events for next year
 - Open events to everyone
 - MECCPAC grant to fund programming (details on website)
 - This will force us to have events planned out further in advance
 - Suggestions from students for what should be included in the budget
 - Would like to have students contribute development of advertising materials and agenda creation (Tiondra can take advertising, Tan can take agenda creation)
 - Tentatively plan for first roundtable event week of Sept 13th, which means the grant would need to be submitted by mid-August
- Fall meeting schedule – Tan will create a Doodle poll to help us determine a meeting time
